# From the Pastor

Dear Parishioners:

A year ago we were facing a huge dilemma...what about the palm? It wasn't that we didn't have or that we ran out. The difficulty was that the precautions that were put in place by the state prevented us from gathering and the instructions of the Archdiocese asked that we forgo distribution. As a result, we were not able to exercise the familiar ritual of blessing and distributing palms individually and it was one more tradition that had to be suspended.

Twelve months later things are not back to normal but some of the precautions have been eased and the palm is being distributed for you to take with you. It does not mean that we don't have to be careful, but we are more familiar now with doing things differently.

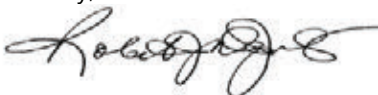

The same will be true for the other days of Holy Week, On Holy Thursday the washing of feet will not take place. On Good Friday veneration of the Cross will take place from your seats and there will be no individual kissing or touching of the cross. At the Easter Vigil the custom of members of the congregation having individual lit candles will be omitted. All of these come as instructions from the Archdiocese.

These modifications will allow us to celebrate Holy Week in safer way for the health and wellbeing of all. May the following prayer help set the mood for us.

***Jesus Christ,  
may your death be my life  
and in your dying may I learn how to live.  
May your struggles be my rest,  
your human weakness my courage,  
your embarrassment my honor,  
your passion my delight,  
your sadness my joy,  
in your humiliation may I be exalted.  
In a word, may I find all my blessings  
in your trials. Amen.***

Blessed Peter Faber, SJ

Sincerely,

Rev. Robert J. DeJulio,  
Pastor

## Cardinal's Appeal 2021 \$10 Million

The Cardinal's Appeal ensures that parishes that are most in need have the resources they require to minister to the faithful. This came to the fore during the first and second waves of the pandemic. Many of the parishes most affected by COVID-19 and the financial aftermath are in areas that are disproportionately underserved. The parish becomes the main artery of financial support and food distribution in times of crisis. Above all, our parishes are sanctuaries of respite and prayer during these difficult times.
